The college has six majors:
- Construction Science (COSC)
- Environmental Design (ENDS)
- Landscape Architecture (LAND)
- University Studies in Architecture (USAR)
- Urban Planning (URPN)
- Visualization (VIST)

Additionally, the college offers 7 minors:
- Architectural Fabrication & Product Design
- Architectural Heritage Conservation
- Art & Architectural History
- Facility Management
- Leadership in the Design & Construction Professions
- Sustainable Architecture & Planning
- Urban and Regional Planning

The college houses 10 graduate majors in four departments.
Graduate students may also enroll in Dual-degree programs which consolidate graduate-level curricula, allowing students to earn two masters degrees in three years.

The college offers 7 graduate certificates:
- Community Development
- Environmental Hazard Management
- Facility Asset Management
- Health Systems and Design
- Historic Preservation
- Sustainable Urbanism
- Transportation Planning

Services available in these facilities:
3D printing, laser cutting, woodworking, metalworking, welding, CNC routing and fabrication space are available for students and faculty for school and personal projects.
High Impact Learning

Study Abroad

Every undergraduate student in the college is required to do a study away program or an internship during their time at A&M, either for a semester or for a summer program, depending on the major.

Students can travel to these locations depending on their major:

- Croatia
- Germany
- Italy
- Japan
- Peru
- Spain
- United Kingdom / England

Industry Connected

- Lecture Series
  Departments and research centers host lecture series featuring distinguished speakers who share their experiences as leaders in their respective fields.

- Industry Workshops
  Provides opportunities for students and prospective employers to network and participate in collaborative charrettes.

- Adams Charettes
  This is a weekend-long event uniting undergraduate students from each of the college’s four departments on five-member teams in an exercise reflecting a real-world problem-solving scenario.

University Notes

- #1 Best Value School in Texas public universities, U.S. News and World Report, 2022
- #1 in the nation for number of public students studying abroad
- Federal and state financial aid programs are leveraged to provide $933 million to 73% of our students.

Diversity

Diversity Council
Composed of faculty, staff and students from every department housed in the college dedicated to equal treatment of all.

Wright Gallery
Dedicated to showcasing the visual arts with a commitment to honoring diversity in all its forms; the gallery provides a venue for emerging and established artists, architects and designers of local, regional, national and international acclaim.

Diversity Certificate
The Diversity Certificate offers students nuanced cultural knowledge and skills to operate in a diverse world. It’s offered in collaboration with the College of Liberal Arts and the university’s Department of Multicultural Services.
